**ASPSN Community Service Project**

The Make-A-Wish Foundation of Colorado, Inc. grants the wishes of children with life-threatening medical conditions to enrich the human experience with hope, strength and joy. Since being founded in 1983, the chapter has granted more than 3,500 wishes to eligible Colorado children. The Colorado chapter is part of the largest wish-granting organization in the world, with 64 chapters in the United States and its territories, along with 27 international affiliates on five continents. Please join us on Sunday, September 25 for the ASPSN Fun Run/Walk. The money our society raises will be donated to the Make-A-Wish Foundation. Not only will you have A LOT of fun, you will also make a HUGE difference in some child’s life. Thank you for helping to share the power of a wish. You have given the gift of hope, strength and joy.

Make your plans now to attend the ASPSN Convention at The Westin Denver Downtown in Denver, Colorado, September 23-27, 2011. The Westin Tower Center is holding rooms for ASPSN at a rate of $205.00 single/double occupancy. The Westin Tower Center is a 430-room and was newly renovated in March 2009. It includes 15 suites and offers views of the city and mountains from 19 floors, 37” flat-screen LCD TVs, iPod and laptop interfacing capabilities, and signature style featuring the Westin Heavenly Bed®. Make your reservations today to avoid the possibility of a filled room block! Call Reservations at (303) 572-9100. Be sure to tell the reservations personnel that you are with the ASPSN Convention in order to receive the special rate. Rooms at this special rate are available until August 22, 2011, or until the room block is filled. Once this date is passed or the room block filled, the special ASPSN rate cannot be guaranteed.

Airport
Denver International Airport is the airport closest to The Westin Tower Center. If driving from the airport, exit the airport on Peña Boulevard and head south to Interstate 70 West. From I-70 West, take Interstate 25 South to the Speer Boulevard Exit (#212A). Continue on Speer to Lawrence and turn left. The hotel is on the right side of Lawrence.

Taxi Cabs/Shuttles
There are a number of taxi cab options available from all areas of Denver, including Denver International Airport. Most of these services are readily available at the airport, but reservations are recommended. For cab service in Denver and surrounding areas, we recommend Fox Limo: (303) 893-1131. For local-only taxi service, options include Yellow Cab, reachable at (303) 777-7777, or Metro Taxi, at (303) 333-3333.

Commercials airlines and private planes land daily at Denver International Airport (DIA), which is 22 miles from the hotel. Roommate Locator
ASPSN offers the Roommate Locator Service as a way to reduce your hotel expenses. Please contact the National Offices at 877-337-9315.

Your name, telephone number, address, arrival and departure dates, and smoking preferences will be provided to others who have requested this service. You will receive a list of potential roommates in advance of the meeting. Use this list of potential roommates to locate a roommate with similar preferences and arrival and departure dates. Once you find a roommate, please contact the ASPSN National Office to have your information removed from the list.

We strongly recommend that you make a hotel reservation as soon as possible. If a roommate is located and both individuals have reserved a room, one reservation can be cancelled.
