Presidents Message

Welcome to the 41st Annual ASPSN Convention: Strong Voices: Impacting Lives and Making a Difference. I know each of us make differences every day in the lives of our patients, families, friends, and even strangers. You do whether you know it or not. We must always be cognizant of this impact whether potential or real and strive to make it a positive one. In addition, your community of ASPSN can have a positive impact on you both personally and professionally. Embrace it. Nurture it. Grow it.

The 2015 Scientific Sessions Planning Committee (SSPC) has diligently worked the past year to bring together this informative, comprehensive, and educational program for you to glean pearls of wisdom and updated information that will complement your plastic surgical nursing practice. The members of the SSPC, for those of you who don’t know, are volunteers. They are not paid employees of ASPSN. Yes, they have given of their time, knowledge and expertise to bring this program to fruition and there is something in this program to benefit each of us as a plastic surgical nurse and we can leave here and know it will be forever changing to our unique practices. I would personally like to extend my sincere thanks and gratitude to our program Co-Chairs, Teresa Barroca and Nancy Radoslovich and to the other members of the committee for a job well done. It is with gratitude and appreciation that I thank each of them for being volunteers and getting the job done. I encourage each of you to personally take the opportunity to thank them also.

Volunteerism is ever so important to the growth and prosperity of ASPSN, our professional community. Volunteering is defined as giving your time to help someone else or a cause that you care about, simply because you want to and without expecting payment. Volunteering for your professional community can be personally very rewarding and allows one to give something back to their profession. ASPSN continues to be viable and successful because of its volunteers and volunteers will continue to be a vital resource. I hope each of you will inquire of members of the Board, the members of the planning committee and management staff among others of ways you may volunteer within your ASPSN community. The continued success of our professional community takes each of us participating and giving of ourselves and our time and is vital for enriching the ASPSN community.

I would also like to welcome you to Boston. I’d like to share some of Boston’s rich history and attractions. Sometimes called “The Cradle of Liberty” for its role in instigating the American Revolution, Boston’s rich history had its beginning in the early 1600’s when the Puritans established a settlement there. Most of us can’t think of Boston without reminiscing from our early education in history of the “Boston Tea Party” and Paul Revere’s midnight ride. Unfortunately in the not so distant history, we experienced the Boston Marathon Bombings that forever changed many lives. I hope some of you have the opportunity to visit some of the many historical attractions including the Freedom Trail, Faneuil Hall, the Boston Common and Public Gardens, America’s oldest botanical gardens, Beacon Hill, Harvard Square and Art Museums, Copley Square, Fenway Park, and the list goes on and on. Enjoy your experience in Boston while furthering your education.

ASPSN continues to grow and prosper. We have had an exciting year and much more excitement is just around the corner. I am so happy you have taken the time and initiative to invest in yourself, your profession and your professional community. This not only contributes to your personal and professional growth but to the overall prosperity and growth of ASPSN. I commend you on your investment.

Marcia Spear, DNP, ACNP-BC, CWS, CSPN, CANS
ASPSN President 2014 - 2016

Scientific Sessions Planning Committee Welcome

On behalf of the 2015 Scientific Sessions Planning Committee, Co-Chair Nancy Radoslovich and I welcome you to the 41st Annual ASPSN National Convention in the city of Boston Massachusetts! Each year, the SSPC works diligently to exceed your meeting expectations and it is our hope that this year offers something for everyone in the field of plastic surgery nursing. The balance of aesthetic topics, management lectures and reconstructive courses offers a comprehensive curriculum. We encourage you to take full advantage of our esteemed and committed faculty by actively participating in all of the learning opportunities offered. Along with the tried and true general and concurrent sessions, our meeting begins with a hands on injectable workshop. Participants will enhance their knowledge of injectable aesthetic products, as well as learn about pertinent facial anatomy, safety considerations and potential adverse events. A didactic lecture and product demo will only add to the expertise and experience you will gain to bring back to your own practice and patients!

Nancy and I, along with the entire SSPC, encourage you to join us in participating in our ASPSN Pay It Forward community project. In celebration of BRA Day this year, we will be holding an event “Bras for BRA Day” inspired by The Creative Cups™ project, founded by the Adelphi New York Statewide Breast Cancer Hotline and Support Program. This event encourages artistic expression in celebration of the lives of those living with breast cancer and those we have lost to this disease. Participants were encouraged to design and build original works of art using bras, which will be exhibited and auctioned off. Please join us in admiring these works of art and consider contributing to this worthy cause. All money raised will be donated to The Julie Fund for Women’s Cancers and The Breast Reconstruction Awareness Fund.

This is your convention experience! In addition to taking advantage of the learning and networking opportunities, please make some time to explore the city of Boston. Our convention is located right in the heart of Boston’s Seaport District, also known as the South Boston Waterfront. This area is in the throes of an exciting renaissance. Home to The Institute of Contemporary Art, Boston Children’s Museum, Harbor Walk and South Station Transportation Center, the Seaport District is the epicenter of Boston’s convention and exhibition activity.

This year our theme is “Plastic Surgical Nurses Strong Voices: Impacting Lives and Making a Difference”. Please make your voices heard here in Boston, by sharing your experiences, introducing yourselves, and becoming more involved in our great organization, the American Society for Plastic Surgical Nurses. Your voice IS strong and it DOES impact others. We are eager to hear from you and hope that you find this convention an opportunity for professional growth as well as a chance to reconnect with old friends and make brand new ones! Have a wonderful convention and please come introduce yourself to me, Nancy and the other members of the SSPC. We welcome the opportunity to hear from each and every one of you!

About ASPSN

Plastic surgical nursing is a diverse multidisciplinary field that encompasses various practice settings and educational backgrounds including pediatric reconstruction, skin care, aesthetics, burns, adult reconstruction, craniofacial, operating room, post anesthesia care, office settings, management and includes nurse injectors, independent practitioners, advanced practice nurses, nurse educators, physician assistants, surgical technicians, licensed practical nurses, and industry. ASPSN will help you enhance your practice by providing information on current trends, patient safety initiatives, and legislative updates. ASPSN encourages members to take full advantage of the many benefits membership has to offer. From continuing education and discounts on educational opportunities, publications, and certification to free special interest discussion groups, ASPSN has something for everyone.

Mission Statement

Vision
The definitive voice for Plastic Surgical Nursing.

Mission Statement
Promoting the competency and education of the Plastic Surgical Nurse.

Values
As nursing leaders and members of the American Society of Plastic Surgical Nurses, we are committed to promoting the following values:

Nurture: We believe in advancing professional development.
Unite: We believe in unity and teamwork.
Respect: We believe respect is the cornerstone of our profession.
Support: We believe in mentoring and encouragement.
Educate: We believe in lifelong learning.

Goals of the 2015 ASPSN Convention

- Develop skills to improve patient safety and outcomes.
- Network with peers on issues of common concern.
- Increase knowledge on current trends and issues.
- Increase awareness of evidence-based practice in the plastic surgical nursing field.

Contact Hours

This continuing nursing education activity was approved by the Georgia Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation for 22.5 contact hours and for approval for 1 patient safety credit and 1 pharmacology credit hour.

Please contact the ASPSN Office for more information.

Contact Hour Certificate

Evaluations for the Annual Convention will be conducted through an online survey. The survey will be sent to all meeting attendees by the week of October 26th. Once you complete the brief survey, you will be able to retrieve and print out your certificate for your attendance at the Annual Convention. Please be sure the Society has your current e-mail address. If you need to update your e-mail address, please complete the form in the back of the program book and return it to the registration desk.

Important Continuing Education Notes

- You must be registered for this activity and complete the post meeting survey.
- You must be present no later than five (5) minutes after starting time of each session.
- You must remain until the scheduled ending time of each session attended.
- The post meeting survey must be completed in full in order for the credit to be awarded and contact hour certificate be printed.
- Keep a record of your contact hours for a period of five (5) years.

Disclaimer

The American Society of Plastic Surgical Nurses (ASPSN) requires all instructors, planners, reviewers, managers, and other individuals in a position to control or influence the content of an activity to disclose all relevant financial relationships or affiliations. All identified conflicts of interest must be resolved and the educational content thoroughly vetted by ASPSN for fair balance, scientific objectivity, and appropriateness of patient care recommendations. The ASPSN also requires faculty/authors to disclose when off-label/unapproved uses of a product are discussed in patient care recommendations. The ASPSN also requires faculty/authors to disclose when off-label/unapproved uses of a product are discussed in patient care recommendations.

ASPSN Special Events

Certified Nurses Cocktail Hour
Friday, October 16 ................................. 6:00 pm – 7:00 pm

ASPSN Welcome & Formal Opening of 2015
Saturday, October 17 ............................. 8:00 am – 8:30 am

ASPSN Welcome Reception
Saturday, October 17 ............................. 5:30 pm – 7:00 pm

ASPSN Community Service Bra Day Celebration

In celebration of BRA Day this year at the 41st ASPSN Annual Convention we will be holding an event “Bra for BRA Day” on Saturday, October 17th at the Welcome reception in the Exhibit hall. This Event is inspired by The Creative Cups™ project, founded by the Adelphi New York Statewide Breast Cancer Hotline and Support Program, and encourages artistic expression in celebration of the lives of those living with breast cancer and those we have lost to this disease. Participants will design and build original works of art using bras, which will be exhibited and auctioned at the ASPSN Annual Convention. Express yourself using a bra as your canvas and create a work of art.

*Bras will be displayed and a silent auction will take place at the Welcome Reception in the Exhibit Hall on Saturday, October 17th at 5:30 pm. Winners of the silent auction will be notified on Sunday, October 18th at the Membership meeting at 11:30 am.

All money raised will go to support The Breast Reconstruction Awareness Fund and The Julie Fund for Women’s Cancers. If you would like to donate please visit the registration desk for more information.

General Information

Registration: The registration desk will be open in the Pacific Ballroom Foyer during the following hours:

- Friday, October 16 ................................. 10:00 am – 5:00 pm
- Saturday, October 17 ............................. 7:00 am – 5:00 pm
- Sunday, October 18 ................................. 7:30 am – 5:00 pm
- Monday, October 19 ................................. 7:30 am – 4:30 pm

Exhibit Hours

- Saturday, October 17 ............................. 7:00 am – 11:00 am & 2:00 pm – 7:00 pm
- Sunday, October 18 ................................. 7:30 am – 4:00 pm

Poster Session: Posters will be on display in the Pacific Ballroom Foyer Saturday, October 17th and Sunday, October 18th. Poster presenters will be available to answer questions pertaining to their posters during coffee break times on Saturday & Sunday. Poster judging will be held on Sunday from 5:00 pm – 5:30 pm in the foyer.

Name Badges: When attending Convention events, please wear your name badge to indicate clearly that you are a participant at the ASPSN Annual Convention and to assist others in getting to know you.

ASPSN Staff: The ASPSN staff is available for questions regarding the Convention schedule, exhibitor displays, evaluations, and directions, and they are open to suggestions and recommendations on ASPSN products and services.

The purpose of this workshop is to familiarize the audience with injectable aesthetic products. The topics discussed during lecture will be: pertinent facial anatomy; chemical makeup of each product; safety considerations of each application of the products; potential adverse events and treatment of products. There will be live demos on models utilizing different types of products.

**Objectives:**
- Identify key facial anatomical structures by location and function.
- Demonstrate the proper application of each of the dermal fillers, bioactivator and BoNTA.
- Recognize potential AE of each procedure and the standard common treatment protocols.

**Founders Lecture: ASPSN: A Collective Collaboration of Volunteers**

Joanne Gladfelter, RN, CPSN

**Objectives:**
- Identify the effective contributions of voluntary leadership.
- Discuss the necessity of supporting professional nursing organizations.
11:30 am – 12:30 pm
Panel I
Pacific Ballroom E

The Reconstructive Plastic Surgery Experience in the Boston Marathon Bombings
Matthew J. Carty, MD; Kyle R. Eberlin, MD; Samuel J. Lin, MD, MBA; Amir H. Taghinia, MD; Juan Mello, MD

Objectives:
• Explain the impact of multidisciplinary care on the management of complex injuries.
• Relate the breadth of injuries witnessed in the Boston Marathon bombings.

12:30 pm – 2:00 pm
Lunch Symposium (Not for CEU)
Pacific Ballroom E

Learn the Artistry of Lyft to Lips
Sean T. Doherty, MD
Supported by Galderma

12:30 pm – 2:00 pm
PSNCB Meeting
Caspian

2:00 pm – 7:00 pm
Exhibit Hours
Pacific Ballroom A

2:00 pm – 3:00 pm
CONCURRENT SESSION 1
Pacific Ballroom E

Wound Healing for the Plastic Surgery Nurse – Wound Healing 101
Valentina S. Lucas, PhD, RN, ANP-BC

Objectives:
• Discuss proper wound care procedures.
• Identify wound care products on the market.

Concurrent 1B
Atlantic Ballroom I

Negotiating a Killer, but Very Pretty, Injector Contract
Haley J. Wood, MSN, WHNP, CPSN, CANS

Objectives:
• Explain key business terms for negotiation.
• Identify the requirements for fair compensation.

Concurrent 1C
Atlantic Ballroom II & III

AMBRA Augmentation Mammaplasty by Reverse Abdominoplasty and TABA - Transabdominal Breast Augmentation
Richard J. Zienowicz, MD, FACS

Objectives:
• Explain how the augmentation is performed.
• Explain the concept of TABA.

3:00 pm – 4:00 pm
CONCURRENT SESSION 2
Pacific Ballroom E

A Look at Advance Wound Healing Modalities – Wound Healing 201
Valentina S. Lucas, PhD, RN, ANP-BC

Objectives:
• Demonstrate proper advanced wound healing therapies.
• Discuss appropriate patient care selection.

Concurrent 2B
Atlantic Ballroom I

Rethink Ink: The Aesthetic-Medical Tattoo (Micropigmentation)
Marie D. Barbuto, BSN, RN, CANS,FAAM

Objectives:
• Identify how Aesthetic Medical Tattooing will aesthetically improve problematic areas and conditions.
• Discuss the process for planning facial fillers and neurotoxin injections as it relates to permanent makeup.

Concurrent 2C
Atlantic Ballroom II & III

Using Technology and Topicals to Treat Laser Complications and Side Effects
Sean T. Doherty, MD

Objectives:
• Discuss the side effects and complications of cosmetic lasers treatments.
• Identify ways to treat laser complications with topicals and technology.

4:00 pm – 4:30 pm
Coffee Break, visit Exhibitors
Pacific Ballroom A

4:30 pm – 5:30 pm
CONCURRENT SESSION 3
Pacific Ballroom E

Awe Without Shock: Rehabilitating Pediatric Burn Scars and Contractures
Matthias B. Donelan, MD

Objectives:
• Diagnose different types of burn scars and clinical contractures.
• Identify how scars can be rehabilitated with lasers and minimally morbid reconstructive surgery.

Concurrent 3A
Pacific Ballroom E

Qualities of a Successful Aesthetic Leader
Marie Czenko, MA

Objectives:
• Identify the basic concepts of leadership.
• Apply positive intent to the core daily engagement a nurse encounters with physicians, team, staff, patients, and others who come into your practice.

Concurrent 3B
Atlantic Ballroom II & III

Social Media Essentials Boot Camp
Monique Ramsey, CRMS

Objectives:
• Discuss Facebook, Twitter and other relevant social media platforms.
• Develop monthly activities to incorporate into their practices.

5:30 pm – 7:00 pm
Welcome Reception in Exhibit Hall
Pacific Ballroom A
SUNDAY, OCTOBER 18

1:30 pm – 2:30 pm CONCURRENT SESSION 4

Concurrent 4A Pacific Ballroom E

Review of the Surgical Procedure Available for Rhytidectomy
Thomas C. Cochran Jr., MD

Objectives:
- Describe facelift strategies and surgical techniques.
- Identify the important role of the nurse for the surgical patient.

Concurrent 4B Atlantic Ballroom I

Enhancing your Patient’s Knowledge on Breast Implant Selections
Scott Chapin, MD, FACS

Objectives:
- Identify the different generations, types and shapes of breast implants.
- Identify nurse’s role for promoting breast implant patient education within the practice.

Concurrent 4C Atlantic Ballroom II & III

Deactivating Peripheral Nerve Triggers: A Surgical Solution to Refractory Headaches
William G. Austen Jr., MD

Objectives:
- Explain the background of surgery for migraines.
- Explain the anatomy mechanism of nerve compression.
- Discuss how to select the ideal patient for migraine treatment.

2:30 pm – 3:30 pm CONCURRENT SESSION 5

Concurrent 5A Pacific Ballroom E

Facial Anatomy
Tracey Hotta RN, BScN, CPSN, CANS

Objectives:
- Define the aging process as it relates to volume and structural changes.
- Identify facial muscles and surface landmarks.
- Describe how to identify the facial vessels and nerves.
- Identify the danger zones that may lead to injection complications from dermal fillers or neurotoxins.

Concurrent 5B Atlantic Ballroom I

Best of Breast Reconstruction Options
Ginger Mars, RN, MSN, CCRN,CPSN, NP-c

Objectives:
- Discuss the surgical options for breast flap reconstruction.
- Identify potential breast flap donor site complications and their treatment options.

Concurrent 5C Atlantic Ballroom II & III

Plastic Surgery in Trauma: What Happens after the ABCDE
Branko Bojovic, MD

Objectives:
- Identify the scope of plastic surgery related problems in the trauma patient.
- Discuss the various state-of-the art tools and techniques used by plastic surgeons in a trauma patient.
3:30 pm – 4:00 pm  Coffee Break, visit Exhibitors  
**Pacific Ballroom A**

4:00 pm – 5:00 pm  **GENERAL SESSION 6**  
Pacific Ballroom E

**New Trends in Male Aesthetic Surgery**  
Mark K. Markarian, MD, MSPH

**Objectives:**  
- Identify trends in male aesthetic surgery.  
- Describe anatomic differences in goals of male and female cosmetic surgery.

5:00 pm – 5:30 pm  **Moderated Poster Session (Not for CEU)**  
Pacific Ballroom Foyer

**P1. A Novel Approach in the Management of Adolescent Breast Asymmetry**  
Olivia Oppel RN, BSN, CPSN

**P2. Unlocking the Secret to Great SEO**  
Eva Sheie

**P3. Extremity Replantation: Indications, Peri-operative Management, and Outcomes**  
Kyle R. Eberlin, MD & Amy Israelian, NP

**P4. Implementing a 5 Star Patient Education Process to Drive Retention**  
April Linden

**P5. An Online Surgical Simulator for Craniofacial Surgery – A Multipurpose Educational Resource**  
Roberto L. Flores, MD & Pat D. Chibbaro, NP

**P6. Pediatric Pressure Ulcers: Assessment, Treatment, and Prevention**  
Catherine Noonan Caillouette, RN, MS, CPNP-PC/AC, CWON & Maria Ambrose, RN, MS, CPNP-PC/AC

**P7. An APRN's Important Role: Reinforcing Informed Consent To Patients Receiving Silicone Breast Implants**  
Nancy Cherofsky, DNP-RN, FNP-BC, NP-C

---

**MONDAY, OCTOBER 19**

7:30 am – 4:30 pm  **Registration**  
**Pacific Ballroom Foyer**

7:30 am – 4:00 pm  **Speaker Ready Room**  
**Aegean**

7:30 am – 8:30 am  **Continental Breakfast**  
**Pacific Ballroom Foyer**

8:00 am – 9:00 am  **General Session 7**  
**Pacific Ballroom E**

**Antimicrobial Surgical Prophylaxis: A Pharmacology Review**  
Paul Staffieri, PharmD

**Objectives:**  
- Evaluate the appropriateness of antimicrobial regimens to tailor individualized care.  
- Discuss antimicrobial coverage for the major classes of antibiotics utilized for surgical prophylaxis.

---

11:15 am – 12:15 pm  **General Session 10**  
Pacific Ballroom E

**Botox or Burqa? Cultural and Religious Perspectives on Elective Cosmetic Procedures**  
David A. Kappel, MD, FACS; Valerie Satkoske, MSW, PhD

**Objectives:**  
- Discuss the importance of staying abreast of cultural and religious perspectives on elective plastic surgical procedures.  
- Identify several ways in which facial expression impacts mood.

12:15 pm – 2:30 pm  **Lunch with ASPS Exhibitors**  
The Boston Convention and Exhibition Center

2:30 pm – 3:30 pm  **General Session 11**  
Pacific Ballroom E

**Managing the UNREALISTIC Patient Post Operatively in the Aesthetic World**  
Tracey Hotta RN, BScN, CPSN, CANS

**Objectives:**  
- Identify personality traits that may lead to unrealistic expectations after aesthetic procedure  
- Discuss a professional and systematic approach on how to deal with a client who presents with unrealistic expectations after their aesthetic procedure.

3:30 pm – 4:30 pm  **General Session 12**  
Pacific Ballroom E

**The Traumatic Injury to the Face - Sharing the Team Experience In The Approach to the Patient’s Journey**  
Daren Edwards, MBE, RGN; Flordelyn Selim, BSN, RN

**Objectives:**  
- Discuss the influences of complex wound care on traumatic facial injuries.  
- Reiterate the importance of a team approach to achieve the best outcomes using evidenced based practice.  
- Discuss quality patient service from beginning to end using camouflage therapy.

4:30 pm  **Closing Remarks and 2016 Los Angeles Sneak Peak**  
**Pacific Ballroom E**

Important Safety Information

Indications: Restylane Lyft with Lidocaine is indicated for implantation into the deep dermis to superficial subcutis for the correction of moderate to severe facial folds and wrinkles, such as nasolabial folds, and for subcutaneous to supraperiosteal implantation for cheek augmentation and correction of age-related midface contour deficiencies in patients over the age of 21.

Restylane Lyft with Lidocaine should not be used by people with severe allergies, particularly to microorganisms known as gram-positive bacteria, or by people with serious allergies to drugs that have previously required in-hospital treatment. This product should not be used by people with bleeding disorders and should not be injected anywhere except just under the skin. Restylane Lyft with Lidocaine should not be used in people with a known allergy to lidocaine.

The most common adverse events after initial treatment include bruising, redness, swelling, pain, headache, tenderness, and itching. Use at the site of skin sores, pimples, rashes, hives, cysts, or infection should be postponed until healing is complete. In these instances, product use could delay healing or make skin problems worse.

This product should not be injected into the blood vessels as it may cause vascular occlusion, infarction, or embolic phenomena.

Restylane Lyft with Lidocaine is available only through a licensed practitioner. Complete Instructions for Use are available at www.RestylaneLyft.com.

Give patients a subtle, natural-looking lift with Restylane® Lyft—one filler that treats both their midface and facial wrinkles and folds. With lasting results and trusted Restylane safety, it’s just the kind of lift they’re looking for. Learn more at www.RestylaneLyft.com
