

## Industry Corporate Membership Program

The International Society of Plastic and Aesthetic Nurses (ISpan) would like to take this opportunity to acquaint you with its Corporate Membership Program. ISpan was established in 1975 and represents a membership of approximately 1,200 national active members, with 10 chapters. Over the past 45 years, members have had the opportunity to interact with colleagues, network with their peers, and pursue a continuous course of education in the advancing field of plastic surgical, reconstructive, and aesthetic nursing.

Corporate membership is an opportunity for organizations with an interest in plastic surgical, reconstructive, and aesthetic nursing to demonstrate support of ISpan. Each \$3,500 corporate membership entitles your company to these benefits:

- **Membership benefits for company** (excluding the right to vote and hold office)—includes subscription to *Plastic Surgical Nursing*, a reduced rate for a customer (nurse) to attend the ISpan convention as a participant, 6 issues of the ISpan newsletter (disseminated electronically).
- **The right to use the ISpan corporate membership logo** on your company's promotional materials.
- **Corporate membership recognition** at the convention and in convention materials.
- **A quarter-page ad** in one issue of the ISpan bi-monthly newsletter, which is disseminated electronically.
- **Your company's logo** on the corporate member page of ISpan's website with a link to your company's website.
- **20% discount on exhibit booth at the 2022 meeting for main exhibit only.**
